**Drain Bonded Item** ♦ (arcane, wizard); **Frequency** Once per day. **Requirements** Nebta-Khufre hasn't acted yet on this turn. **Effect** Nebta-Khufre expends the power stored in his club. This gives Nebta-Khufre the ability to cast one prepared spell he had already previously cast today, without spending a spell slot. He must still Cast the Spell and meet the spell's other requirements.

**Undeath Burst** ♦♦ (divine, necromancy) Nebta Khufre calls upon foul energy and all creatures within 30 feet take 4d8 negative energy damage (DC 28 basic Fortitude save). He can't use Undeath Burst again for 1d4 rounds. Undead in the area are quickened for 1 round.
